

Thriving in the Dynamic: Refocusing for Growth

The venture and start-up market have taken a new shape and sentiment upon waves of pandemic and geo-political turbulences. How can entrepreneurs relaunch with strategic resilience and capitalise the emerging opportunities in the recovery? Cyberport's annual premiere venture forum, CVCF 2022 will unveil the latest tech venture capital landscape, diving into investors' focus and priorities in this new age and discuss start-ups' strategies for innovation breakthroughs and road map to tap into larger markets like the GBA and Asia.

Connecting capital, innovation, entrepreneurship and growth - the region's signature venture conference you cannot miss!
